

## Welcome to 2019 Winter Courses

Please complete your registration early. Classes are filled on a first-come, first-serve basis and some facilities have limited class space. In addition, classes may be canceled if there is insufficient enrollment. Saturday classes are 8 hours plus an hour for lunch. If you have any questions about class schedules or locations call Karla Biggs-Gregory at (303) 334-6971 or (303) 421-0797.

### You may register by phone, mail or e-mail:

## **APICS Certified Supply Chain Professional (CSCP)**

### **CSCP Learning System Components:**

The CSCP Learning System is a comprehensive professional development program that will help candidates prepare for the CSCP examination. The learning system is based on the CSCP body of knowledge and features print- based study modules as well as online tools, including an assessment component that enhances the learning experience. Get more information at: <http://www.apics.org/CSCP> or <http://www.learnscsp.com>

### **CSCP Examinations are on demand at testing centers throughout Colorado**

### **Eligibility for CSCP: Must submit application of eligibility at least two weeks prior to exam registration**

- CPIM/CFPIM/CIRM/CLTD/CTL/CPSM/SCOR-P/C.P.M./CSM Certification  
*OR*
- Bachelor's degree or international equivalent and 2 years supply chain experience  
*OR*
- Five years supply chain experience

### **CSCP Modules**

- Session 1: Fundamentals of Supply Chain Management
- Session 2: Supply Chain Strategy, Design and Compliance
- Session 3: Implementation and Operations

### **Colorado Chapter Courses for CSCP: *We have room for 15 students***

- Classes on Saturdays (see above schedule for dates)
- Classes are offered at Hunter Douglas in Broomfield, Colorado
- Class includes one set of student materials, including online access and Exam Voucher
- \$3000 for members, \$3220 for non-members (including APICS PLUS Membership).

**Sienco, Inc.** "The CSCP course has been useful to me by providing me with a broad understanding of supply chain planning as well as specific tools and frameworks for approaching problems." **James Reagan, CPIM, Sienco, Inc.**

"This will help me understand the suppliers' side of manufacturing since I am on the engineering, procurement and construction side." **Pat Pritchard, Supply Chain Management, Director, SCS, LLC**

**If you have interest in this program, you can contact Honey Johnson, VP of Education  
(303) 271-1818 or [hjohnson@msstech.com](mailto:hjohnson@msstech.com)**

## CPIM Accelerated Courses

Again this year we will be offering a chance to sign up for the CPIM certification courses at one time and be assured that the classes would not be canceled.

- The program will consist of both Part 1 and Part 2 of the CPIM Program unless you have already started taking a course, in which case your fees will be adjusted.
- One price will include both course fees and exam credits, online learning component and all participant workbooks \$3000 for APICS PLUS Members and \$3320 for Non-Members (including APICS PLUS Membership)
- Payment for all courses is due before the start of the first course.
- **Minimum of 12 students must enroll.**
- Classes will not be canceled (even if some students drop out), since they are scheduled and paid for by the whole class in the beginning.

**Accelerated classes at Hunter Douglas, Broomfield, CO will be held on Saturdays for 8 hours  
8 am until 5 pm (1 hour lunch)**

- Part 1 (Basics of Supply Chain Management) February 9, 16, and 23, 2019
- Break
- Part 2 (SMR/MRP/DSP/ECO) March 9 & 16, April 6 & 13, May 4 & 11, June 1 and 15, 2019

**If you have interest in this program, you can contact Honey Johnson, VP of Education  
(303) 271-1818 or [hjohnson@msstech.com](mailto:hjohnson@msstech.com)**

"I'd like to thank Roger Harris and Honey Johnson for their outstanding effort in delivering the APICS CPIM classes. Their presentation and materials go beyond what I would have ever received without them and definitely contributed to my passing both Part 1 and Part 2 CPIM exams. On a final note, both Roger and Honey made the classes fun and interesting, adding much color to the class materials. Many Thanks to you both!" **Jeff Lane, CPIM, Chief Information Officer, ADA Carbon Solutions**

**STOLLE MACHINERY** "The APICS classes were the best way I could have studied for the CPIM testing. They were very convenient to take while I worked, even during the busy part of the year. Eight hour classes may seem like a lot on a Saturday but the instructors are so energetic and dedicated to you understanding the material that the time flies by. By the end of each class I had a brand new understanding of concepts I wasn't able to grasp by just using the study material alone. One of the coolest aspects of APICS was the community. The classroom consisted of peers from all different walks of life and job perspectives and the out of classroom activities introduced me to even more people of the APICS community." **Aaron Littlefield, Manufacturing Engineer, Stolle Machinery Co**

## **APICS Certified in Logistics, Transportation and Distribution (CLTD)**

### **CLTD Learning System Components:**

The CLTD Learning System is a comprehensive professional development program that will help candidates prepare for the CLTD examination. The learning system is based on the CLTD body of knowledge and features print-based study modules as well as online tools, including an assessment component that enhances the learning experience.

### **CLTD Examinations are on demand at testing centers throughout Colorado**

### **Eligibility for CLTD: Must submit application of eligibility at least two weeks prior to exam registration**

You must meet one of the eligibility requirements below

- > CPIM/CFPIM/CIRM/CSCP/CTL/CPSM/SCOR-P/C.P.M./CSM Certification
- > Bachelor's degree or international equivalent
- > Three years supply chain experience

### **CLTD Modules**

- > Logistics, Capacity Planning and Demand Management
- > Order Management, Inventory and Warehouse Management
- > Transportation and Global Logistics Considerations
- > Logistics Network Design, Reverse Logistics and Sustainability

### **Colorado Chapter Courses for CLTD: *We have room for 12 students***

- > **12 student limit**
- > Classes on Saturdays (See above for schedule dates)
- > Classes are offered at Hunter Douglas in Broomfield, Colorado
- > Class includes student materials, online access and exam credit
- > \$2600 for APICS PLUS members, \$2820 for non-members (including APICS PLUS Membership).

**If you have interest in this program, you can contact Honey Johnson, VP of Education  
(303) 271-1818 or [hjohnson@msstech.com](mailto:hjohnson@msstech.com)**

"In August and September of this year I was privileged to be included in the first class for the APICS Certification in Logistics, Transportation and Distribution in Denver Colorado. This class was my introduction to this discipline. The instructors were knowledgeable, helpful and dedicated in getting the subject matter across not just to pass an exam but on how to use this information to improve a business. Even though this is the first of its kind class in Colorado and was also pretty much my introduction to Logistics, Distribution and Transportation it provided me the knowledge and insight to pass the certification exam on my first try." **Ken Fiore, CPIM, CLTD, Operations Manager, Custom Stone Etching, LLC**

"As both a career advancement tool or a current state of "best in class" refresher, CLTD is a must have for industry participants. When enrolled in the CLTD training course, the participants can easily attain a more complete understanding of the material and experience that "Aha" moment again and again by applying real world examples to the course material." **Christopher "Kit" Childers, CLTD, Supply Chain Professional**

## Class Procedures

**Classes:** Certification classes are designed to assist you with your preparation for CPIM, CSCP and CLTD certification examinations. Supply Chain Basics is an introductory class. All other classes are intended for people with either academic or on-the-job experience. Non CPIM/CSCP/CLTD courses are general education not certification courses. Non-Member course fee includes one year of Plus-level Membership.

**Private Classes:** We are happy to discuss private corporate classes upon request. Contact Honey Johnson, VP of Education at 303-271-1818 x123 or hjohnson@msstech.com

**Exam Credits:** Credits for the CPIM/CSCP/CLTD exams are good for 6 months from the date of issue. Please do not request a credit until you are ready to sit for the examination.

**Refunds:** All refunds will be considered on a case-by-case basis and will be awarded at the discretion of the VP of Education.

**Retakes:** If you have taken a review class from us in the past 12 months and have not passed the corresponding examination, you can retake the class at no charge, otherwise retakes are \$100. You will need to provide a copy of your APICS Colorado Chapter 81 class certificate and bring your book to class. Other re-take options will be considered on a case-by-case basis.

**Certificates of Completion:** Certificates are awarded on the basis of attendance.

**Computer-Based Testing (CBT) Registration at Pearson VUE Test Centers:** Registration requires a minimum of 48 hours up to 90 days in advance. Exams will be offered six days a week. **Visit the APICS Web site at [www.apics.org/certification](http://www.apics.org/certification) to access a link to the secured Pearson VUE online registration site and obtain an Authorization to Test (ATT)**

**CSCP/CLTD Exams:** Eligibility application must be submitted and approved two weeks prior to registering for exam.

**Instructors:** All instructors are qualified, experienced professionals and are APICS Certified instructors and participating in the APICS Instructor Development Program (IDP).

"Attending the 5 day CSCP course conducted by Colorado APICS is highly recommended for anyone preparing to take the **APICS CSCP** exam. Their knowledge and work related experience in the Global Supply Chain industry was a great help in teaching the concepts in a fun and enjoyable learning setting. There is so much information to study, without this class it would be an overwhelming task to complete on an independent level."

**Stephen Robles C.P.M, CPIM, CSCP, Director of Materials & Warehouse Operations, Hunter Douglas**

"I enjoyed taking the CPIM classes through the local APICS Colorado Chapter 81. They offered me the knowledge to pass the CPIM exam, and the tools to think strategically in my career. The instructors, as well as the students, had knowledge in a breadth of industries allowing for real world examples to link textbook material to reality. There is no doubt the APICS classes will enable me to advance my career in the supply chain industry."

**Wynne Adams, CPIM, S&OP Demand Planner, Boulder Brands**

**Colorado APICS Education...*Real People, Real Results!!***

## What are Students saying about APICS Education in Colorado?

"While I attended APICS classes, I was quick to realize the valuable resources being introduced. As a professional in the supply chain world, I was able to immediately apply a number of the topics presented by APICS to our day-to-day activities. APICS has set me apart from my peers, as I am now able to present ideas and tactics that are not readily understood by everyone. I am grateful for the knowledge I have received and am excited of the possibilities going forward" **Dan Clement, CPIM, Distribution Center Manger, Brewers Supply**

"This (CSCP) class and certification will be useful to me both in my current role as a production planner, as well as in any future opportunities to increase efficiency and improve the bottom line in all aspects of supply chain!" **Maelle Mann, CSCP, Production Planner, Keysight Technologies**

"By expanding my knowledge into areas where I have little experience will help turn my company into best in class." **Trevor Daly, CSCP, Dish Network**

"As a young professional looking for a way to further my career and knowledge of Supply Chain, I found these classes from the local APICS Colorado Chapter. The instructors are very experienced in the supply chain industry and teach in a way that makes the material easy to understand and fun to learn. The classes have helped me in my current job complete projects with confidence. There were also great students that helped me learn from their experiences as well as build many friendships. I would highly recommend these courses to anyone new to the supply chain industry, or even those that have been in the industry for a while, anyone who deals with the supply chain of a company. It will help tremendously. I plan on getting the CSCP certification in the future and will take the classes from these instructors, there's just no other way." **Joseph McQueen, CPIM, Sr. Supply Chain Analyst, Charter Communications**

"The APICS CPIM classed taught by the APICS Colorado Chapter 81 was outstanding. The knowledge the instructors bring to each class made understanding the material very easy. Every detail has been thought through from how the classroom is set up to help people become engaged and to stay engaged during the class, to bringing in specific instructors who specialize in specific topics, makes this a fantastic learning environment. I believe I will have the competitive advantage when taking what I have learned from the classes and applying it to my career." **Mike Hansen, Supply Chain Professional, Air Methods**
