Strategic Career Management for Supply Chain Professionals

"Your career is your business. It's time for you to manage it as a CEO." This session is designed to equip you with practical, actionable strategies to effectively manage and advance your careers in today's rapidly changing and increasingly complex world. As global supply chains face disruptions, digitization, tariffs, and shifting workforce dynamics, professionals must not only keep pace with change but proactively position themselves for long-term success.
We will explore how to:

- **Align personal strengths and values with evolving organizational needs**
- **Leverage current industry trends**
- **Develop a resilient, forward-looking career trajectory**

Through a mix of expert insights, real-world examples, and reflection exercises, participants will leave this session with a clear understanding of how to take ownership of their career path and thrive in an ever-evolving supply chain environment.

Mark Lauterbach is a successful supply chain executive and career coach. He started his industry career as a Buyer and exited as a Chief Procurement Officer (CPO) with Stolle Machinery, the leading manufacturer of can-making/printing machinery located in Centennial, CO. He held a variety of positions of increasing responsibility with market leaders including AlliedSignal, Black & Decker, Mercury Marine (Brunswick division) and Nippon Denso, where he focused on supply chain transformations. During his career, he traveled to 52 countries, including 57 visits to China, to establish reciprocal trade agreements.

Ten years ago, he also formed Jump Up the Ladder/the Job Search Accelerator, a career management consulting firm which assists professionals in managing their careers, including support with career development and job search. This is his passion business!

Mark graduated with a BA, Supply Chain Management from Michigan State University, the global pioneer in supply chain studies. He is also a Certified Personnel Consultant (CPC).

Coach's Corner

I hope all of you are enjoying life and enjoying Spring in Colorado. Our Colorado ASCM year is winding down, this is the last Newsletter of this FY, the next Newsletter will be in August 2025.

Our May PDM will be held May 21, 2025 at the Downtown Aquarium. This is the last PDM of our year, the next PDM will be September. This will be a great event, celebrating another great year for Colorado ASCM and Supply Chain Management. Our meeting will be at 5:30 for registration but the meeting comes with tickets to the Aquarium so come early and tour the Aquarium museum. You can come as early as 3:30 pm!

Our May Meeting will be in person and virtual at the Downtown Aquarium and Mark Lauterbach speaking about Strategic Career Management for Supply Chain Professionals. We will also have a June networking evening planned with food and drink at the Arvada School House on June 30th. In August we will have our traditional virtual Colorado Chapter Town Hall update.

At our May Professional Development meeting we will elect our Board of Directors for our 2025-2026 ASCM Colorado Fiscal Year. In addition to these folks, there are several appointed BOD positions that many volunteers need to fulfill.

Please join me in thanking all of our current Board of Directors for a job well done again this year!

The slate of officers up for election are as follows:

President & Coach: **Roger Harris**
VP of Programs: (Interim-Roger Harris)
Secretary: **Jamie Swan**
VP of Professional Development: **Honey Johnson**
VP of Membership: **Jerry McQuie**
Treasurer: **Gary Williams**

I hope that this year you enjoyed the Colorado ASCM PDM's, Networking Events, Tours, and Courses. Feel free to contact me if you have any questions or concerns. I hope that you all have a GREAT Summer and I hope to see a lot of you at one of the upcoming events! Thank you for being part of our Colorado ASCM Chapter!

Roger W. Harris

Education News

It is finally time for May flowers, warm weather, much sunshine and I am certainly ready! As we head into the last days of spring and welcome summer in a few weeks, our spring education programs are winding down and we will take a few weeks off from classes for a summer break.

If you were not able to attend classes recently, don't despair! We will begin a full slate of APICS certification classes in the Fall as well as schedule another opportunity to attend our Sales & Operations Planning education course. Watch for the Fall 2025 course details near the end of summer when schedules and registration information will be published.

As we wrap up this fiscal year, I would like to take a moment to recognize and sincerely thank our outstanding Colorado Chapter instructors! This past year we have held public and private classes, with students located in the U.S. as well as abroad. Our Colorado ASCM/APICS Education programs would not be the recognized success that they are without these talented folks who tirelessly share their supply chain expertise, wisdom and real-world experiences that make a significant difference helping students learn and retain the information. Our Chapter continues to have significantly higher than average pass rates! I would like to especially thank Roger Harris and Bob Abeyta who continue to be instrumental in providing an outstanding Education experience for our students!

I always enjoy celebrating success with our students as they earn their APICS certifications! When you have achieved your APICS certification, we are happy to recognize your hard work! Register for and attend one of our Colorado Chapter monthly professional development meetings so we can congratulate you as a new CPIM, CSCP, CLTD or CTSC certified professional. U.S. based students will receive a lapel pin as well as a $100 reward! Woohoo! I look forward to recognizing more newly certified folks in the coming months!

Our scheduled public certification courses may not meet every organizations' timing, so please let me know if you are interested in learning more about a private APICS certification program for folks in your company.

As always, please contact me if you have questions regarding APICS Education. Let us help you continue your lifelong learning journey.

Best Regards,

Honey

Associated Thermoforming Inc ISO 9001:2015 Certified

"I highly recommend the APICS CPIM course through the Colorado ASCM Chapter. The course is incredibly valuable for any Supply Chain Professional looking to further their career or increase their effectiveness in their current position. The instructors at the Colorado Chapter are very knowledgeable and present the challenging subject matter in a way that is easy to understand and absorb. If you are thinking of obtaining your CPIM certification, the Colorado ASCM Chapter will provide you with the tools to achieve that goal!" **Stephanie DeBlase, CPIM, Materials Manager, Associated Thermoforming, Inc.**

LOCKHEED MARTIN "I highly recommend the CPIM course to any individuals interested in learning in-depth about supply chain. I found this course extremely helpful in my current supply chain role. I have been able to apply what I learned to everyday worklife and have a much better understanding of supply chain as a whole. I also highly recommend the training and course offered through the APICS Colorado Chapter. The instructors, course and materials have been exceptional and integral to optimum learning and success." **Christine Currie, Lockheed Martin National Security Space Manufacturing Planner**

CooperVision

"I am a supply chain professional of more than 15 years, and MCIPS Qualified. I had an opportunity to study the CSCP Course through my employer and was keen to brush up my existing knowledge and skills. The Colorado ASCM course has provided me with a wider knowledge and understanding of the end-to-end supply chain. The instructor-led learning gives an opportunity to ask questions to these supply chain professionals as well as other students. The online learning material is categorised into easier to follow modules and test questions to help prepare for the exam. I would recommend this course to anyone wanting to polish their supply chain skills and keep up to date with the ever-changing supply chain environment. It's a valuable investment." **Angie Armstrong, CSCP, MCIPS, Senior Global Sourcing Manager, CooperVision UK**

HunterDouglas "I highly recommend the CLTD offered through Colorado ASCM/APICS to any supply chain professional interested in furthering their career. This course offers extensive review of the entire logistics networks, distribution strategies, and supply chain connectivity from demand and supply planning." **Stephen Robles C.P.M, CPIM, CSCP, Former Director of Materials & Warehouse Operations, Hunter Douglas**

What are Students saying about APICS Education in Colorado?

"Taking the Colorado Chapter ASCM CPIM course in Spring 2024 was instrumental to my passing the CPIM exam. Honey and Roger spent hours imparting their wealth of knowledge while encouraging open discussions and bringing in real world examples to ensure we understood the material. Their insights were genuinely helpful and I would encourage anyone pursuing their CPIM certification (or another ASCM certification) to take this course. I can't recommend it enough!" **Molly Gilbert, CPIM, Master Supply Planning Manager, Ball Corporation**

"The value of this Colorado ASCM Chapter CPIM class cannot be over-stated. The time, effort and experience that are brought to the class by the instructors brings the material together in a way that is easy to understand and apply and most importantly, commit to memory. The Saturday class was well worth the time investment and that time was respected with a full and fruitful agenda that made the most of it. I highly recommend this class!" **Stephanie Hensley, Distribution Coordinator III, MKS Instruments**

"I recently completed the APICS CPIM course through the Colorado ASCM Chapter to prepare for the CPIM exam. I highly recommend this chapter for anyone wanting to improve their supply chain expertise or get ready for ASCM exams. The classes were extremely interactive, with students sharing real-life work experiences and challenges. The instructors were very knowledgeable and consistently available for discussions and assistance as needed." **Itode Fubara, Supply Chain Manager, General Shale Brick**

"I signed up for the CSCP course at the end of May where I was going to study on my own and later take the test when I felt ready. As I read about the weekly class, I was a little hesitant at first, but I'm so glad I enrolled in the course held by the Colorado ASCM Chapter. I started at the end of July and took it weekly through November. The class was intuitive, stimulating and I can honestly say it helped me to pass the CSCP exam by December. I highly recommend the class to any aspiring CSCP professional!" **Anabelen Mendoza, CSCP, JBS USA, International Documentation Specialist**

"I began working toward obtaining my CPIM soon after beginning my career in manufacturing. Everything I have learned from APICS/ASCM has elevated my effectiveness in my job, even before I received the certification. The classes I attended with Colorado Chapter 81 were especially additive in my education, analogizing the often-difficult study concepts to real-world, recognizable organizations and scenarios. If your career has anything to do with supply chains, production, quality, purchasing, etc., you cannot go wrong with CPIM**." Jason Rhine, CPIM, Production Planner, Gogo Business Aviation**

"I would recommend the CSCP learning courses to anyone considering obtaining the certification. The Colorado ASCM Chapter instructors are very knowledgeable and offer great support. I could not be happier with my investment!" **Joe Fischer, CSCP, Import Supervisor, DSV Global Transport and Logistics**

Membership News

As we head into the summer, it is time to deal with something you likely have not looked at for years: Your ASCM membership record.

If you are reading this, it has a valid e-mail address that you still use. (if not, we are wondering why you are ghosting us!) But it may have a bunch of other out of date information. When I looked at mine a year ago when I became VP of Membership, the name, e-mail address, and certifications were current – but my postal address was 3 moves out of date and my company name was from a job I had 6 years ago. It is worth a few minutes to check to see if everything is up to date. If you are an ASCM national member (which is most of you), click on https://login.ascm.org/Account/Login, log in, and select My Account on the top bar. If you are an Associate (local Colorado only) member, clink on https://colorado.ascm.org/, log in, and select My Account Info.

If you find you are unable to make the corrections you desire, send me an e-mail. I had a similar problem when I left my last job a few months ago and could not get my former employer out of my member record. I had to contact someone behind the scenes to fix the problem – which I am happy to do for you if you have a similar issue.

We are here to help. Have a great summer if I don't see you.
